

*Join us for the 2013 Undergraduate
Research Conference
in Chemistry and Biochemistry
to be held in Claremont, CA*

ACS Southern California Undergraduate Research Conference in Chemistry and Biochemistry

Saturday, April 27, 2013

**The Southern California Undergraduate
Research Conference in Chemistry and
Biochemistry, an annual event held in the
spring to afford undergraduates in chemistry
the opportunity to present their research
results, will be hosted this year by the
W.M. Keck Science Department.**
