ADVANCED HEALTH CARE...FOR YOU

Clinical Care Extender

COPE Health Scholars offers individuals interested in health care professions with unparalleled experiential education in a health care environment. Our programs are tailored to allow high school, college, and professional school students to interact with health care professionals and explore career opportunities in the allied health professions, nursing, medicine, and health care administration.

Our unique programs provide unprecedented direct patient care experiences in clinical settings. Our programs are designed to allow pre-health professionals to interact directly with health care professionals and to explore potential career opportunities in allied health, nursing and medicine.

Requirements: Serve a minimum of 4 to 6 hours per week, accumulate a total of 280 hours; most students take approximately 15 months to complete this minimum hours requirement, however others complete it earlier by volunteering more shifts per week, attend two program meetings per rotation, attend 3 training days

Application: <https://copehealthscholars.org/admissions/how-to-apply/>

Research

Research Associates in the ER Department (RAD-EM)

1000 West Carson St., Torrance, CA 90502

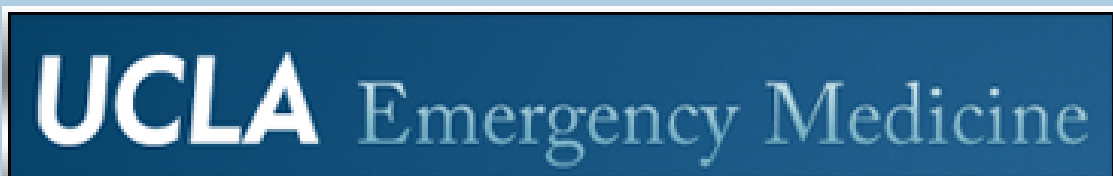

We are recruiting competitive candidates to volunteer as research associates (RAs) who will identify and screen potential study participants in the Harbor-UCLA Emergency Department. Opportunities may include: data collection, entry, and processing; database configuration; statistical analysis; and manuscript preparation. Additionally, participants in RAD-EM will have the unique opportunity to observe clinical care and operations in a nationally renowned LA County ED with a Level I Trauma Center.

Requirements: Minimum of one 4-hour shift per week

Application: Contact for more information.

Email: Renee Sanchez Durbin (renee@emedharbor.edu)

Phone: (310) 222-3503

Application: Contact for more information.

Phone: (760) 631-5000

Uncommon Good

211 W. Foothill Blvd., Claremont CA 91711

It's easy to make a big difference in a child's life. You spend about two hours a week being friends with a child who is growing up in a low income family and needs someone to be a role model. Our students need someone like you to believe in their potential. All it takes is sharing everyday experiences and a combination of no and low cost activities that are fun, educational, cultural, or all three. These could be activities such as exploring college campuses, going to the park, playing sports, visiting museums or just about anything else you can think of! It's easy and it's fun and best of all, you'll have a positive impact on a child's life...and in your own life.

Requirements: Volunteers are required to live or work in Pomona, meet at least once a week for two years, and sign up for a minimum of one year.

Application: <http://uncommongood.org/volunteer/>

Phone: (909) 625-2248

South Bay Family Healthcare

23430 Hawthorne Blvd., Torrance, CA 90505

Volunteers are an integral part of South Bay Family Health Care and play an important role in helping us to meet the health care and social service needs in our community. SBFHC also welcomes those with an interest in special projects or community outreach, as well as speakers on health care topics on which they may have particular experience or expertise.

Application: Contact for more information.
